It would appear from the counter affidavit that the grievance of the petitioner has substantially been redressed as due verification of handwritings and signatures of the aforesaid forms has been done by the F.S.L.

Having heard the learned counsel for the parties I find that this writ application has become infructuous in view of the counter affidavit filed by the State.

This writ application is ,accordingly, dismissed.

It goes without saying that once the report has been

sought for , it is expected that the same would be submitted in court promptly.
